

February 10th, 2021 PTSA Membership Meeting Recap

Despite Zoom malfunction, our guest speaker, City Council Member Brian Briles shared a brief explanation of the properties that the City of Mill creek are looking to develop. He would love to hear from our members about what they would like to see be built on these properties. Email him at bbriles@cityofmillcreek.com

Mr Balla gave an update about sports and things happening around the school. WE elected our nomination committee – Katie Stark, Alisha Crawley-Davis, and Beenish Iqbal, and conducted other monthly business.
