

## JHS PTSA offers & supports the following

### REFLECTIONS

The Reflections Program is a National PTA arts recognition program that helps students explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence, and find a love for learning that will help them become more successful not only in school but in life. Students in pre-K through grade 12 create original works of art in response to a theme. Students submit their completed works of art in one, or all, of the available arts categories: Visual Arts, Photography, Literature, Music Composition, Dance Choreography, and Film Production. ### WSPTA//GAME DEVELOPMENT COMPETITION

The WSPTA//Game Development Competition is a STEM-based program, introduced in 2016, to encourage and support student success. Students in grades 9-12 (or 7 and 8 grade students as part of a larger group of 9th graders or older) attending a school with a PTA in good standing may participate and share their knowledge of computer science based on an assigned theme. **Hope** is this year's theme. The purpose is to provide an opportunity for students, either individually or in teams of up to six members, to use their creative talents and express themselves by developing a computer game. Students' submissions are judged in the following areas: game of the year, arts and animation, game design, programming (code), and audio design. The submission deadline is March 1 each year. For more information, go to <https://www.wastatepta.org/events-programs/game-competition/>

### WSPTA ESSAY CONTEST

This statewide essay contest explores the important and varied influencers in the lives and education of children – from the children's perspective. Every day children are exposed to a variety of people and each one has an opportunity to influence the path a child decides to take. Whether it is someone that sparks an interest in a new topic, helps them work through a problem, shapes the kind of person they want to become by modeling behavior, simply listens to them, or any number of other actions, this is the platform for students to share their appreciation. The application deadline is March 1 each year. For more information, go to <https://www.wastatepta.org/events-programs/pta-essaycontest/>
